CUSTOM FOLDER DETAILS & REQUIREMENTS

- Paper:** All custom-printed folders are made of heavy white cover stock (14 point). Other stocks available upon request.
- Coating:** AQ coating is standard on all printed folders. This is a water-resistant protective coating with a semi-gloss finish.
Other coating options include:
 - Gloss Lamination:** A high-gloss finish that looks like UV but also provides strong protection and added thickness.
 - Soft-Touch Lamination:** A specialty matte finish that feels like suede and provides the same strong protection and thickness as gloss lamination.
- Ink colors:** Your order should specify the PANTONE®* ink color(s) to be used.
**Pantone Inc.'s check-standard trademark for color reproduction and reproduction materials.*
- Requirements for Artwork:**
 - Acceptable file formats are InDesign, QuarkXPress, Illustrator (.ai or .eps), PhotoShop, or a high-res PDF.
 - Pricing assumes all files are print-ready. Files not print-ready may incur an art charge.
 - Detailed instructions and templates can be found on our web site at www.schoolfolderfactory.com
- Proofing:** Price includes PDF proof. Hardcopy color proofs are available at an additional cost.
- Business Card slits (optional):** Four small slits designed for holding a business card, may be added to the right or left pocket at no additional charge. *Brochure and CD slits also available.*
- Order Form (required):** We ask that your order be accompanied by the appropriate order form (even if you use your own purchase order form).
- Delivery:** Folders are completed and shipped 7 to 10 business days from proof approval. Should you require an earlier delivery, please call.
